EDUCATION

09/2018 – 09/2020

Master of Science in International and Comparative Education

Stockholm University, Stockholm (SE)

- Developed high sensibility about trends, challenges and opportunities for **educational development and management**. I critically analysed education solutions, with a special emphasis on **global responsibility** and **sustainable development**.
- Strongly improved **teamwork** capability, carrying projects with international colleagues of different age, experience and attitude.
- I participated in **different conferences** either as a speaker and room hosts.
- I volunteered as a Language Coordinator at Stockholm University

11/2018 – 05/2020

Post-graduate Diploma in Global Marketing, Comunicazione & Made in Italy

Centro Studi Comunicare l'Impresa e Fondazione Italia USA, Online

- I have learnt how to develop **international marketing projects**.
- Final project: Digital Marketing Strategies for a Sustainable Italian Fashion Brand in the German Market (Grade 28/30).

09/2015 – 07/2018

Bachelor's in Foreign Languages and Literature

University of Verona, Verona (IT)

- I have studied applied linguistics, languages and literature (Russian and English).
- Concluded with a final grade of 110/110 and a thesis about the Intercultural Competence in Language Teaching.

WORK EXPERIENCE

12/2020 - ongoing

Project Assistant (freelance)

COSP Verona – Verona

I manage Master Classes for career guidance in high schools:

- I support the project management processes,
- I organize and prepare the events and project activities,
- look for and contact relevant keynote speakers,
- I am analysing the social impact of COSP, reviewing all the conducted activities

11/2020 - ongoing

Researcher (part-time)

Agora Institute for Knowledge Management – Alicante, Spain (smart-working)

I conduct research, write and edit reports for international projects financed by the EU Commission. I participate in international quality board meetings.

06/2019 – 08/2019

Project Assistant – Internship position

COSP Verona – Verona

- Support in **Monitor & Control and Closing processes**
- Collaboration in projects activities and events
- Collaboration in the **planning** processes of new successful projects
- **Research activities** and development of a training session for the staff

ABILITIES

- **Good contact skills** thanks to my personal attitude and my work experiences.
- **Research skills** and good ability to **present the results** both orally and written. I am quality-oriented and systematic.
- Good **public speaking** thanks to the many class presentations given during my master's programme and conference experiences and my current work experiences.
- Good **academic writing**, thanks to the scientific papers I have written during my studies and my internship positions.
- **Intercultural communication** and **cooperation** developed during my studies.
- I am **inquisitive**, **open-minded** and I like to **challenge** myself every day.
- Good **time management** and **flexibility** gained working, studying with success and practising sport concurrently. I am using these skills also during this pandemic period working for two different organisations at the same time.
- Ability to work efficiently in stressful situations.
