

ARTISTIC NEWSLETTER #4

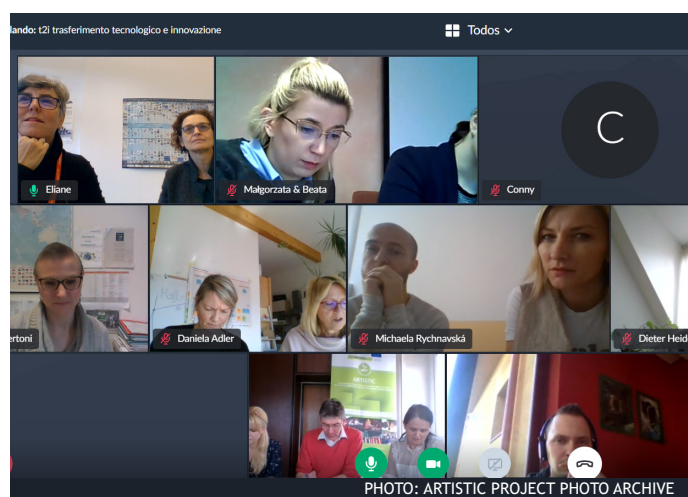

Welcome to the fourth edition of the ARTISTIC newsletter presenting our partnership and work within the Interreg CENTRAL EUROPE funded project, dedicated to improve the relationships between cultural operators, society and financial operators. It also creates opportunities to adapt Intangible Cultural Heritage ideas to the expectations of potential investors, combining in this way, cultural and marketing aspects and increasing the durability and visibility of cultural projects.

We hope you will enjoy reading our fourth edition.

EAST ELBIAN APPLE DAY

This interesting annual festival has been hosted in the region since 2014, on the 3rd of October, to celebrate apple as the Germans' favourite fruit by tasting, exhibition, identification of apple pies, apple juices and apple schnapps. Old, nearly forgotten apple varieties are also presented during this day.

ARZBERG SADDLERY

Saddlery refers to the trade of leather processing. During the Middle Ages, saddlers used to manufacture their products almost exclusively for handling animals (saddles, collars, bridles, driving gear). Today, though, this occupation also encompasses work for cars, planes or boats.
